

How do I access the free travel entitlement?

To access the new free entitlement you must be in possession of either a Seniors SmartRider or Pensioner SmartRider. When you want to travel on Transperth bus, train and ferry services for SmartRider to accurately calculate the lowest fare applicable, including free journeys.

Any free journey must begin on or after 9.00am and on or before 3.30pm, Monday to Friday. No fares apply on Saturday, Sunday or public holidays. It is important that you tag on and off all services, regardless of whether you are travelling within a free travel entitlement period. If you wish to use your SmartRider outside the free travel periods, you will need to add-value to your card. For information on how to add-value to your card please refer to a copy of the SmartRider Guide or call 13 62 13.

Tag on and tag off

How to tag on

- Tap your SmartRider on the tag on/off icon on processors located on the buses, ferries and train stations to tag on.
- Listen for the audible beep or see the green light which signals a successful tag on.
- The transaction only takes a fraction of a second – so you should be able to tag on and keep moving all in one action.

- At this stage the processor records to your card:
 - the boarding time and date
 - your boarding location
 - the stop and zone of the stop.

In most cases you will not need to remove your SmartRider card from your wallet or purse to tag on or tag off the processor. Other cards in your wallet will not be affected.

How to tag off

- Tap your SmartRider on the tag on/off icons on processors located on buses, ferries and train stations to tag off. For buses, wait until the words 'Present SmartRider' appear on the processor before you tag off.
 - Listen for the audible beep, or see the green light which signals a successful tag off.
 - At this stage the processor records to your card:
 - alighting time and date
 - your alighting location
 - the stop and zone of the stop.
 - The correct fare is calculated and deducted from your card. A fare will not be deducted within the free travel entitlement period.
 - The transaction only takes a fraction of a second – so you should be able to tag off and keep moving all in one action.
- For more information on using SmartRider please refer to the SmartRider Guide, available at all RSOs and Transperth InfoCentres as well as online at www.transperth.wa.gov.au.

Authorised SmartRider Retail Sales Outlets and Transperth InfoCentres

The following RSOs sell SmartRider cards, process forms and can add-value.
